

Friday Flyer 24th January 2025

Dear Ugborough families,

I do hope you, your homes and gardens all got through the storm unscathed. Unfortunately there are more yellow weather warnings looming for ice, wind and rain, so please all take care.

The children have managed to dodge the rain this week and get outside wherever possible. It's lovely to have PAFC with Adam and Jack back in school, the children thoroughly enjoy their sessions for PE and after school clubs. Teachers will be running clubs after February half term and we will let you know what these are and when they will be held, as soon as we possibly can.

The teachers will be finalizing their Parent Teacher meetings early next week, they will do their very best to accommodate your preferences wherever possible. We will advise you of your appointment once they are all organised.

I hope you all have a wonderful and peaceful weekend.

Kind regards,

Mrs Lucy French

Headteacher.

Please ensure you log onto DB weekly, this is where your child's homework will be and any class communication. You also need to log onto My Maths and your child must complete the weekly homework that has been set. In addition to this, your child needs to read/be read to every day.

Thank you for your co-operation with this.

Respect

Excellence

Friendship

In science this week, year 1 had a range of objects to feel and touch. The children had to describe the properties of different materials.

Another sunny week for Year 3 in our Forest School session on Wednesday. This week they enjoyed creating maps of Caratacus' journey, when the Romans attacked Britannia, using natural materials. Roasting 'snakes' over the fire was a tasty treat too.

They have been exploring how sound is created - some children made a string telephone to explore the vibrations in the string when they spoke to each other from a distance.

Friendship

Due to the weather warning on Thursday 23rd, Key Stage One were unfortunately unable to go outside for Outdoor Learning. However, they had a fantastic afternoon. After listening to the story 'Percy The Park Keeper: After The Storm' they had some different activities to complete. The children could pick from a range of resources to build a secure, safe and stable house for the animals. They had to make sure their designs would withstand another storm! They also had fun exploring how to mix different shades of brown using red, blue and yellow paint.

ENDSLEIGH HOLIDAY ART WORKSHOPS

At Endsleigh Garden Centre, Ivybridge with Kayleigh from Colourful Horizons and Louise from Stitch and Splodge - A 2 hour session for children (and parents) to create 2 amazing creative outcomes using 2 different arty crafty techniques. All resources are provided, guaranteed to be lots of fun.

Thursday 20th February - 10am to 12.15pm

£25.50 for up to 2 adults and up to 2 children age 5+ (£8 per extra child - younger children can attend with adult supervision)

Headlice Notice

There are reports of
Headlice in school.

Can you please check your
children and treat if

necessary.

Thank you.

Residential Trips

Please can you continue to pay money off your child's residential trip, or if possible, pay it in full. We have invoices coming in to covering the interim instalments and your payments help us immensely. Thank you.

How does attendance affect outcomes for pupils?

Being in school is important to your child's achievement, wellbeing, and wider development. Evidence shows that the students with the highest attendance throughout their time in school gain the best GCSE and A Level results.

Research found that pupils who performed better both at the end of primary and secondary school missed fewer days than those who didn't perform as well.

[Why is school attendance so important and what are the risks of missing a day? – The Education Hub \(blog.gov.uk\)](https://www.blog.gov.uk/2015/05/why-is-school-attendance-so-important-and-what-are-the-risks-of-missing-a-day/)
