

Friday Flyer 16th June 2023

Dear Parent and Carers,

I hope you have all had a good week and that you have been enjoying this beautiful weather. Please remember to send your child in with a hat, sun cream and water every day.

Our Year 5 children have had a wonderful time at Dittisham with Mr Kellas and Mrs P, we are looking forward to hearing all about they adventures they have been up to.

Following on from last week's Friday Flyer regarding the Parent Forum, we have set our first date for Tuesday 4th July at 9.15am. This has been chosen based on the majority within the feedback we have received. This session will be a chance to have a coffee with other parents, we will have a theme for the session, as well as a chance to feedback to you and gain feedback from you. We look forward to welcoming you into school.

As we are approaching the end of the year, we still have lots to learn and achieve, please continue to listen to your child read every day and take time to talk about their school learning, thank you for your continued support

We hope you have a lovely weekend,

Best wishes,

Mrs French

Y E A R 4

In Year 4 this week, we have been studying the properties of 2D shape.

This took our learning outside and we experimented with creating mathematically accurate versions of quadrilaterals.

We learned about the different symbols used to show parallel lines, same length lines, same size angles and right angles.

We were also able to identify: Obtuse, acute and reflex angles.

We had to be accurate with our mathematical symbols - ask us why!

In year 2 we have been learning about millilitres and litres in maths. We took our learning outside this week and had a go at accurately measuring out different amounts of water into varying sizes of beakers.

Junior 10 Tors

Wow, what a fantastic Junior Ten Tors weekend! The children were amazing! They saw a mix with the weather; sunny and warm on Friday with rain on Saturday. The team worked so well together and successfully navigated their way across the moors climbing 6 tors on the Friday and 4 on the Saturday. They worked so well as a team supporting each other and showing some fantastic tent assembling skills at camp. They enjoyed the opportunity to cook on our camp stove and enjoyed seeing other teams from different schools around a camp fire where stories and performances were shared and marshmallows toasted. Huge congratulations to all involved on such an amazing achievement!

Learning to give change was the task year 3 were set this week. They had to work out the correct amount of change to give to their partner.

What amazing weather for Forest School this week, the children decided to continue making a shelter that the younger children had started earlier in the week.
