

## Friday Flyer 23rd June 2023

Dear Parents/Carers,

I hope you have all had a good week and have been enjoying the longer evenings.

This week our Hillhead children went to visit Hillhead Farm to support their learning about their locality. Thank you to Ed and Marianne for their time and effort. Jenny has been in cooking with Year 5/6 and Year 1. They have been cooking scones, cakes, biscuits and healthy cereal bars. It has been a treat to see (and taste) their creations. Thank you, Jenny, for your creativity and planning, our children are lucky to have this experience as part of their Design and Technology learning.

Some children have been to Brickfields today, Mrs Jarvis has messaged to say how well they have all done and they have been a credit to you and our school- well done everyone.

On Monday, we are taking our children to the church to listen to a local orchestra play in a mini concert- they will be playing Disney tunes for us. Some of our school musicians will be joining the orchestra. Thank you to Ian and Mark for their enthusiasm in organising this.

We are looking forward to our final 4 weeks, please keep checking the Friday Flyer for updates and information.

Our first Parent Forum is on: Tuesday 4th July at 9.15am, with Mrs French and Miss Warley.

I hope you have a lovely weekend,

Best wishes,

Mrs French

In computing in Year 2 we have started our new topic of 'Programing Quizzes'. This week we recapped what we already knew about the Scratch Junior App and had a go at creating some short, simple programs on the app. We ran the programs in full screen mode using the 'green flag' starting button.

Huzzah - It is finally here! Our long-awaited anthology of published works. We are really proud in Year 4 to see our work in print and available for purchase. We have been working really hard on our writing and it is a joy to be able to celebrate our work in this way.

Year 1 had great fun colour mixing this week in art. We revised what the primary colours are and created a colour field based on the work of artist, Mark Rothko.

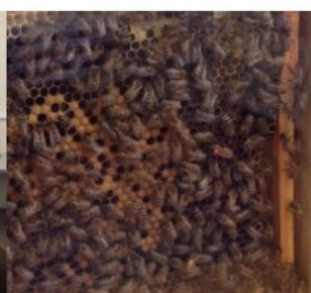

KS2 were really lucky to learn all about the importance of bees within our eco system this week. Mark from Black Dog Honey Bees kindly gave up his time and brought in a small hive for us to study.

We learned about what bees produce and how we use their products, their hierarchy and social systems as well as what we can do to be responsible and caring for our bees. Mark also kindly marked the Queen for us to see and we asked questions to understand her role better.

The session was fascinating – we are very grateful for the visit and look forward to planting some bee friendly seeds at school next week.

We can continue our learning at home by following:

In Year 2 we have started our new topic of statistics. We have been learning about how to complete tally charts. We made a tally chart of a topic of our choice. We did really well remembering to group tally marks in 5s. In Year 2 we have started our new topic of statistics. We have been learning about how to complete tally charts. We made a tally chart of a topic of our choice. We did really well remembering to group tally marks in 5s.

## Star of The Week

- Hillhead: Etta-May
- Ennaton: Clark
- Dunwell: Rufus
- Ladywell: Beau
- Venn: Cloe D-C
- Earlscombe: Stella

## School Clubs

Next week will be the last week for teacher-led school clubs apart from UPAG and Plymouth Argyle clubs run by Adam.

## Remember

School times will be changing in September: 8.50am children to be in class for registration, the day ends at 3.20pm

## Lost Property

There is still a lot of unclaimed clothing in our lost property box in the porch. Could you please have a look through to see if any of it belongs at your house. If not, we will 're-home' it at the end of term.

Thanks.

## Lunch Accounts

Please ensure you pay for school lunches when ordering. If your child is leaving our school this July, please clear any remaining balance they may have.

# UGFAIRWEEK

Fair week is almost here! Look out on the Ugborough Fair Facebook page for more info and updates [facebook.com/traditionalvillagefair](https://www.facebook.com/traditionalvillagefair)

## Saturday 1<sup>st</sup> July – G-UP Nature Walk & Open Gardens

Join Mikko Andrade May and Susan Williams for a slow amble looking at hidden wildlife in a nearby field. Meet in Ugborough Square at 10am. We will be recording our finds on the i-naturalist App. For more information, please contact Susan on 07941247207 but feel free to just turn up.

Open Gardens are from 2pm – 5pm. Entry is with a programme which you can buy outside the church from 1.45pm. Programmes are £6. There is also a children's competition trail, entries are £1. Cream Teas served all afternoon. All funds raised will go to the Church Building.

## Sunday 2<sup>nd</sup> July – Dog Show & Fair Concert

A fun afternoon with your four-legged friends. Starting at 1pm on the Church Green. £1 entry per class, entries on the day. Bring a picnic. Spectators welcome! For all enquiries contact please Claire Lockley on 07917402212 / [claire@claireteagaskis.co.uk](mailto:claire@claireteagaskis.co.uk) List of classes can be found on the Fair Facebook page.

The Fair Concert is a low-key evening of local music with refreshments. Starting at 7pm in Ugborough church we will be featuring the North Huish Hand Bell Ringers, Ugborough Festival Orchestra, and a scratch Community Choir, plus school musicians. If you have something to offer, from classical to rock, young or old, do let me know! For further enquiries please contact [suejohnsdunwellfarm@gmail.com](mailto:suejohnsdunwellfarm@gmail.com) or 07889797967.

## Monday 3<sup>rd</sup> July – The Great Ugborough Curry-off

Bring your signature curry (meat or vegetable) to the Church Green and fight it out with Ugborough's top chefs or come along to sample the curries. There is no charge for entrants, but please bring a camping stove (or similar) if you have one to keep your curry warm and a ladle. Naan bread will be provided. Please arrive at 6pm. Donations for fair week of £4 per adult and £2 for children to try as many as you like, or dare!

## Tuesday 4<sup>th</sup> July – Quiz Night

Doors open at 7.15pm for 7.30pm start in the village hall. Teams of up to 6. £15 per team. No need to book, just turn up and put your clever hat on!

## Thursday 6<sup>th</sup> July – Fun Run & Treasure Hunt

The Treasure Hunt starts from 3.30pm and the Fun Run starts at 6pm. The run will be a short (5km) family friendly loop along the lanes around the village. All finishers receive a medal and a drink and pasty at The Anchor. Prize for best fancy dress (Treasure Hunt and Fun Run!). Treasure hunt: £1 per entrant. Run: £10 per adult, £5 per child, £25 for family (up to 5). Register using the link below or sign up on the day. All funds raised go to DKMS <https://register.enthusie.com/ps/event/Mission5K2023>. For all enquiries please contact Claire Morgan-Hughes on 07714271872 / [cmorganhughes@icloud.com](mailto:cmorganhughes@icloud.com)

## Friday 7<sup>th</sup> July – Land Rover Rally

Meet at 6.30pm in the Donkey Lane field for this tame off-road jaunt through and around the local estates. Ending at the Ship Inn for well-earned refreshments. Vintage or modern, all vehicles welcome. £10 per vehicle.

## Saturday 8<sup>th</sup> July – Fair Day!

The action starts at 2pm. Stalls, games, bouncy castle, great food, local beers and ciders, live music, sheaf tossing – all the usual shenanigans and a few other surprises along the way!!!

### Can you lend a hand?

A massive thanks to the army of volunteers that make Fair Week happen.

If you can spare half an hour on fair day to help out with a bit of low-key stewarding and directing traffic it would be hugely appreciated. If you can help, drop Tim Slater an email on [tim.slater58@gmail.com](mailto:tim.slater58@gmail.com), or message him at 07594613579. Any help will be rewarded with a token for the bar! If you can lend a hand with set up, please arrive in Ugborough square from 9.30am.

The ever popular cake stall is welcoming contributions. If you can make a cake for the stall, then please drop them off in the morning of fair day to Flo at 24 Fore Street.

Ugborough school have kindly offered to sing some of their favourite songs! If you have children at the school, please bring them to sing. This has been a real highlight in previous years and the more children there are the better this will be. Mrs Godfrey will be in the square to meet children at 2.25 to sing at 2.30.

If you normally park in the square there will be alternative parking provided in the field on Donkey Lane. Please make sure you have moved your car on Friday 7<sup>th</sup> July as the set up in the square will start early on Saturday the 8<sup>th</sup>.

## Please Check Your Child's Hair.

### Head lice

### The prevention and treatment of

- Head lice are small, six-legged wingless insects, pin-head size when they hatch, less than match-head size when fully grown and grey/brown in colour. They are difficult to detect in dry hair even when the head is closely inspected. They very often cause itching, but this is not always the case, particularly when recently arrived on the head.
- Head lice cannot fly, jump or swim, but spread by clambering from head to head. Anyone with hair can catch them, but children who have head to head contact, either at school or during play, are most commonly affected.
- Head lice feed by biting and sucking blood through the scalp of their host. The female louse lays eggs in sacs (nits) which are very small, dull in colour, and well camouflaged. These are securely glued to hairs where the warmth of the scalp will hatch them out in 7-10 days. Empty egg sacs are white and shiny and may be found further along the hair shaft as the hair grows out. Lice take 6-14 days to become fully grown, after which they are capable of reproduction.
- Head lice are not fussy about hair length or condition. Clean hair is therefore no protection, although regular (eg weekly) hair washing and combing sessions offer a good opportunity to detect head lice, and arrange treatment if discovered.

Lice hang on tight to the hair, usually close to the scalp where there is warmth, food and shelter from detection. Full grown lice take the opportunity to move from head to head during close contact. Younger lice tend to remain for about 6 days on the head where they have hatched.

Head lice need to maintain contact with a host in order to survive. Those lice that leave the host voluntarily, or fall off, are likely to be damaged or approaching death (their life span is about 3 weeks) and so unable to start a new colony. There is no need to wash or fumigate clothing or bedding that comes into contact with head lice.

Magnified photo of the human head louse and louse egg (nit).

If you are at all worried about head lice or feel you need more advice on how to cope, then you should consult your school nurse, health visitor, pharmacist or family doctor.
