

## Friday Flyer 30th June 2023

Year 2 had an amazing day last Friday cooking! In groups we had to design a yummy cereal bar full of fibre and fruit. We got to pick the ingredients we wanted to use from a great selection! We then used our measuring skills to weight in grams and millilitres. The results of our bars were amazing! They were so yummy! We had fun evaluating our own bars and then we got to try everyone's. They were all so tasty! What a fun day!

In art, Year 2 have enjoyed creating their own Orla Kiely inspired patterns with potato stamps! We really enjoyed printing and creating different patterns with bright, contrasting colours.

Year One had a superb day cooking with Jenny last Friday. They made their very own healthy cereal bars and had such fun creating them and expanding their knowledge of healthy diets.

Year 1 and 2 were lucky enough to have a visit from the Imam of the Plymouth Islamic Education Trust to talk to them about their Religious Education learning on Islam. We got to ask questions we had gathered during our learning. We learnt more about the pilgrimage of Hajj and more context around the rituals of Hajj.

Buckland Abbey was the stunning backdrop for Year3's Dance Celebration day on Tuesday. This event (organised by Arena Sports) brought together children from across the WeST partnership who have been working with specialists, one of which choreographed part of the 2012 Olympic opening ceremony, to create a dance reflecting an area of the curriculum. Having explored rivers in geography, we based our dance on the movement of rivers from the source to the mouth. Their performance was incredible, I was very proud to take the children and join with so many parents watching. The grand finale was all the schools performing a together in a dance they had only learnt that morning. Well done Year 3, you were amazing!

## Year 4

In Year 4 this week, we have been studying Leonard Da Vinci during our Art sessions.

We have analysed some of his famous work and recreated images using his pencil style.

Some of us drew portraits of our friends in the style of Da Vinci and others used his creations as a reference to recreate.
