

## Friday Flyer 7th July 2023

Dear Parents/carers,

I hope you are all well and I am sure many of you have been enjoying the Ugborough Village events this week. The fun run last night had a wonderful atmosphere and it was lovely to see our community together. Earlier in the week our PTA ran a very successful quiz night, lots of teams participated. Thank you so much to everyone who helped make this happen. If you are at Ugborough Fair tomorrow please come along and join Mrs Godfrey for the singing.

We had our wonderful Parent Forum this week, thank you so much to those who attended, it was a great chance to meet together- we will be sharing the feedback from this in next week's Friday Flyer.

We are coming into our final two weeks of this academic year and we are looking forward to all of the celebrations we have in store. Please keep checking your emails about what is happening as additional ones may be sent out.

Thank you for your continued support and we hope you all have a super weekend,

Best wishes,

Mrs French

In science, we have been learning all about the digestive system.

We have had some practical sessions where we have explored the different digestive organs and their functions, we have made predictions and have had scientific discussions about how our diets can have an effect on our body and digestive process.

Finally, we explored the product of the digestive system from different animals and dissected owl pellets to further understand how the digestive systems can differ across different animal species.

## Year 4 Science

Year 2 have been developing their computing skills this week. We used ScratchJr and used our current geography learning on seasons to create a short animation. We had to program an algorithm and we learnt some new instruction blocks (making our sprite say something and changing the background). We really enjoyed it and did really well. This learning will help us design our own animation next week!

As part of their transition day the Year 3 children learnt what it was like to work together to create their own country. They had to think about how they were going to survive, what rules they would need for everyone to get along, as well as creating a flag, a national bird and a currency. They also realised the skills need for a team of people to be able to work together successfully.

# History Hunters Family Funday

**Saturday 15th July 2023**

A fun filled family day travelling through time to uncover the secrets of Dartmoor with stalls and activities on the field and in the centre.

**Postbridge Visitor Centre, 10.30am-4pm**

[www.dartmoor.gov.uk](http://www.dartmoor.gov.uk)

## Star of The Week

- Hillhead: Mollie
- Ennaton: Lupin
- Dunwell: Efa
- Ladywell: Tobias
- Venn: Ollie M
- Earlscombe: Sam G

## East Soar Trip 12th & 13th July

Please remember to pack a packed lunch for the first day and a roll mat if you have one.

The children will need to be in school at usual time and will be back for normal collection time on Thursday.

GUARANTEE SPACE.

## New School Times

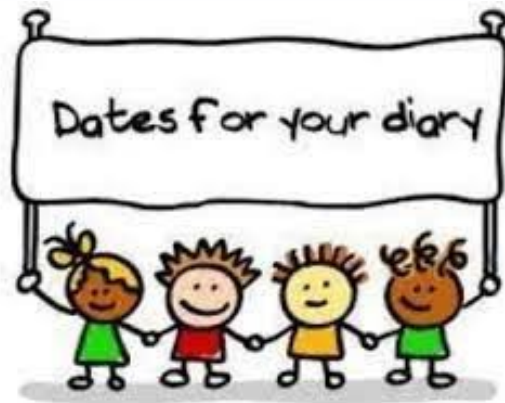

### Reminder

As from Sept 2023 the school day will begin at 08.50am and end at 15.20pm.

I have advised Devon Transport of this change and they will be contacting all parents whose children use the school bus service.

## Whole Class Photos

You were sent an email with your class password on and the portal will be open from 6pm on Sunday for you to order.
