

Friday Flyer 2023

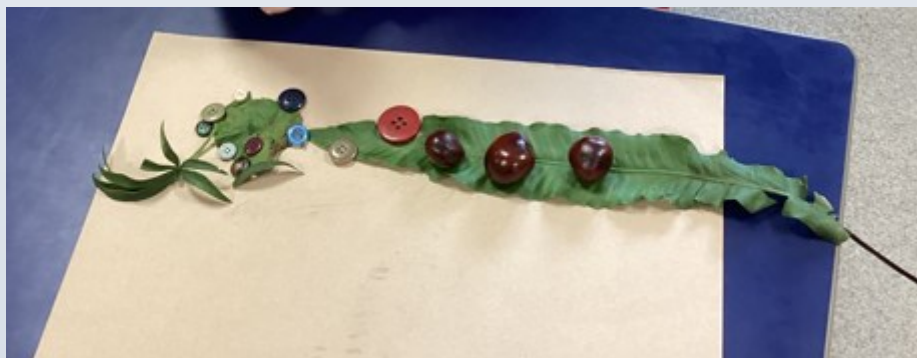

Good afternoon,

The children have had a full and varied week of learning, including the year 4, 5 swimming, which they've thoroughly enjoyed. Hillhead have created some wonderful "Leaf Man" pictures using loose parts and natural materials they gathered from our school environment. Year 1 and 2 have been learning about the United Kingdom and landmarks across Europe. The class learning curriculum plans are on dB and we would encourage to have a look through them and talk to your child about the subjects they are covering in class.

We hope you have a wonderful weekend and the Autumn sun shines for all of us.

Kind regards,

Mrs L French

Year 2 have been partitioning numbers in different ways on the playground this week! We had a great time drawing part-whole models and splitting numbers into different combinations of tens and ones.

Year 1 and 2 have been having fun outdoor learning in our Forest School area on Friday afternoons. Last week they were busy making dens, creating culinary delights in the mud kitchen, digging, exploring and climbing.

This week in Hillhead we have been reading the book 'Leaf Man' and have been inspired by the illustrations to create our own loose parts art using leaves and other materials. This is a super fun activity you can also enjoy over the weekend at home! Hillhead parents can see more of our art on our class dB page.

Year 2: We have also been looking at estimating numbers on a number line. We had number lines with different start and end numbers on the playground. We then picked a number and we had to stand where our number would be on the number line as accurately as possible. We had to explain why we had placed ourselves where we did, making sure we used our maths reasoning skills.

Continuing with their understanding of place value, year 4 have been thinking what columns we need to consider when we are ordering 4 digit numbers.

In science we have been investigating our senses. This week we had to try some different foods; strawberries, salty crisps and lemon. We predicted what they might taste like and which we would like the best and least. We tested our predictions. We were right, the lemon was our least favourite!

In PE, Ladywell have been continuing to develop their rugby skills. In this particular game, children had to be able to work quickly and cooperatively as a team whilst running and holding the ball to deliver it back to their home station. The team who collected and kept the most rugby balls were the winners!

- Dunwell: Leo
- Ladywell: Mabel
- Venn: Jasper
- Earlscombe: Stella

Water Bottles & Lunches

Please ensure you send your child to school every day with a clean water bottle containing only water, not squash or juice.

Lunch boxes should be packed with healthy choices, take a balanced approach but no sweets please. We are also a nut free school.

Ensure you order your child's lunch via the School Gateway App. Each day there are children whose cooked lunch choices haven't been ordered and whilst we can do it, we cannot always guarantee there will be enough stock for them to get their preferred choice.

We appreciate your continued support with this.

Year 6 Secondary Applications

Please can we remind all parents of children in Year 6 that they must apply for their child's secondary school place online via Devon County Council website before 31st October. All children must apply for a place, including those who already have siblings at their new school. Please do not run the risk of applying after this date as it will reduce your chances of getting your preferred school. If you have any difficulties completing the online form, call Admissions on 0345 155 1019.

Have Your Say

Please feel free to come to our Parent Forum here at school on Friday 6th Oct at 2.00pm.

We will be happy hear your ideas, listen to feedback and to discuss plans in order to improve however we can.

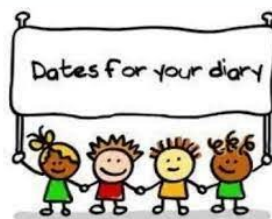

Please let Tracy know if you will be attending (so we can sort the tea & coffee!)
