

## Friday Flyer 13th Oct 2023

Dear Parents/Carers,

What a wet afternoon we have had today- we hope it brightens up this weekend.

We have sent home parent consultation letters this week and look forward to welcoming you into school to talk about your child after half term. Please return your slips by Monday as the teachers will be allocating times in their Monday meeting- many thanks.

Last week we had our second Parent Forum, and it was great to have parents from the differing year groups in attendance. We will be running another Forum in December and in order to get up to date feedback we would ask that you complete the Parent Forum Form below to share the best day/times for you. We will then publish the next date in our next Friday Flyer.

We look forward to welcoming you all to our harvest festival next Thursday afternoon at Hillhead Farm. This is a very special occasion and all of our children take part in this, lots of singing can be heard around the school this week.

Please remember if you would like to offer any expertise/time we would love to hear from you, I hope you have a lovely restful weekend,

Best wishes,

Mrs French

In Year 1 science we have been exploring the meaning of omnivore, carnivore and herbivore. We had a go at sorting different animals into the three groups. We had to explain why we grouped them as we did. We also drew our favourite animal and gave it the correct label.

## Year 2 Science

This week in science we were discussing the importance of exercise for humans. We conducted an experiment. We looked at a range of activities and decided which one would raise our heart rate and which one would not. We made our predictions before putting it to

the test! We did our exercises for 45 seconds and checked our pulse before and after each exercise to see if it was faster. We talked about our results and why it was faster or not much faster. We also talked about how to make it a fair test.

Year 4 are learning how to look after a dragon in English. Pet dragon - Dare to Care is a such a great book. The children went into character, they became dragon owners and interviewed each other about their experience of looking after their particular dragon.

In history, Ladywell have been continuing to explore how the kingdoms (for there were more than one!) of Ancient Egypt changed over time. This week, we have really enjoyed learning about some of the gods of the Old and Middle kingdoms such as Anubis (god of judgement and guide to the underworld), Osiris (god of the underworld) and Ma'at (goddess of order and balance).
