

# Friday Flyer 10th Nov 2023

Dear Parents and Carers,

As I write this we are preparing to walk to the square for our 2 minutes silence at 11am. This is a time for us to reflect and our children will sing a song whilst we are there. When we go out and about, your children are a true credit to you, and also us as a school. We often have feedback from members of the public on behaviour, manners and interactions, which is so brilliant and makes us all proud here at school- thank you.

You will notice this week we have published our Christmas Extravaganza dates- we had a discussion about this at our last Parent Forum and hope that these timings work better for families. We would appreciate your help in making the 4pm show work for everyone.

Mrs Webley is working hard at keeping the calendar at the bottom of the Flyer up to date; please make sure you check it each week as there is a lot going on this term.

It has been lovely to see so many of you at parent meetings over the last few weeks, we really value this chance to talk to you and share how your child is getting on. If you have anything you need to discuss further, or need another time to talk, please make contact with your class teacher through the office. We always do our best to make appointments/phone calls in a timely manner and would always welcome you to come in rather than worrying about your child, something you have heard, or a query about learning. Working together is essential in making sure your children have the best possible education and start to learning.

We hope you all have a lovely weekend and we have a few dry spells to get outside and enjoy the beautiful autumn surroundings.

Best wishes

Mrs French

In Year 2 we have started learning about habitats. We took the opportunity to get outside between the rain showers to explore and look at some habitats we could see in our local school area. We drew some habitats and the animals we could see in them.

Year 4 have been learning to write in the style of the book 'Dare to Care: Pet Dragon' by M.P. Robertson and Sally Symes. The children have created their own page of advice on looking after a creature or object.

In science we investigated how the sources of sound vibrate, creating sound. Using a tuning fork and a bowl of water, we noticed that the tuning fork vibrates when it is hit, making the sound. These vibrations travel through the water, making the ripples as the water vibrates.

Our school took the time to pay their respects at 11.00am this morning. Everyone spent two minutes in silence and then sang a beautiful song.

#### Panto Time.....Oh No It's Not!

After receiving a generous donation, and the PTA kindly contributing also, we are excited to announce that The Rainbow Theatre Company will be coming to the village hall with their performance of Snow White on the morning of the 18th Dec to entertain our children.

### **School Pick Up**

If your child is going home with anyone other than the usual person who collects them, please let us know who is picking them up. If we don't hear from you to let us know what the arrangements are, we will not let them go.

### Exciting news....

This year we are running two shows for you to enjoy. We ask that you only attend one so that everyone has the best view possible. ©

We hope this will make it easier for as many people to attend as possible with work commitments.

Thursday 14th December at 4.00pm Friday 15th December at 9.30am

(we anticipate a one hour show time)

In order for this to work, on Thursday, if you are attending the concert, we need you to collect your child from school at 3.20 and bring them to the Church by 3.50, ready for a 4pm start. If you are not attending on Thursday, normal home-time collection, bus or after school club will occur.

- If they usually attend the paid after school club, please let us know if you
  would like them to attend this performance and we will liaise with the setting.
- If your child goes home on the bus, we will put them on the bus as per usual, unless you inform us otherwise.
- Adams club will not run on Thursday 14th December.

PTA will be running refreshments in the church straight after school and again in the morning.

Further details regarding costumes will be sent out nearer the show.

We hope you can make one of these shows, they are sure to be a special and memorable event.
