

Friday Flyer 23rd February 2024

Dear Parents and Carers,

Welcome back after our half term break. This is a rather short half term but we have just as much learning to do: exciting humanities units in Key Stage 2, a trip to the zoo and Easter fun.

You will have received a parent meeting letter yesterday, please return these by Monday as our teachers will be meeting after school to allocate appointment times, we are looking forward to welcoming you to these meetings.

If your child is in Key Stage 2, we are starting to get excited about the residential trips, there will be meetings held about these shortly.

Please find a link below regarding our school. I would love to hear from you via this form, it should only take a few minutes. I really appreciate your help and engagement in working as a team to make Ugborough a special place to learn.

Keep checking the calendar dates below for new dates- Sports day was shared prior to half term- this will take place in the afternoon.

Parent Forum meeting date: 21.3.24

I hope you all have a lovely weekend,

Best wishes,

Mrs French

In science this week Year 2 continued to investigate properties of everyday materials. In pairs the children picked different properties of materials and then sorted the objects available into these different groups. We noticed some objects had both properties and so created an additional space to show these objects.

Running club took to the roads this week and completed a fantastic run! Well done team!

This week in Hillhead, we have been enjoying stories such as 'Mr Wolf's Pancakes' and 'The Runaway Pancake' as we missed pancake day together last week. The children enjoyed both of these stories as they each feature a surprise ending where some of the characters meet a rather gruesome fate! We also noticed that 'The Runaway Pancake' had a lot of similarities to 'The Gingerbread Man' so we have had lots of talk about story types, characters and how not all stories have a happy ending.

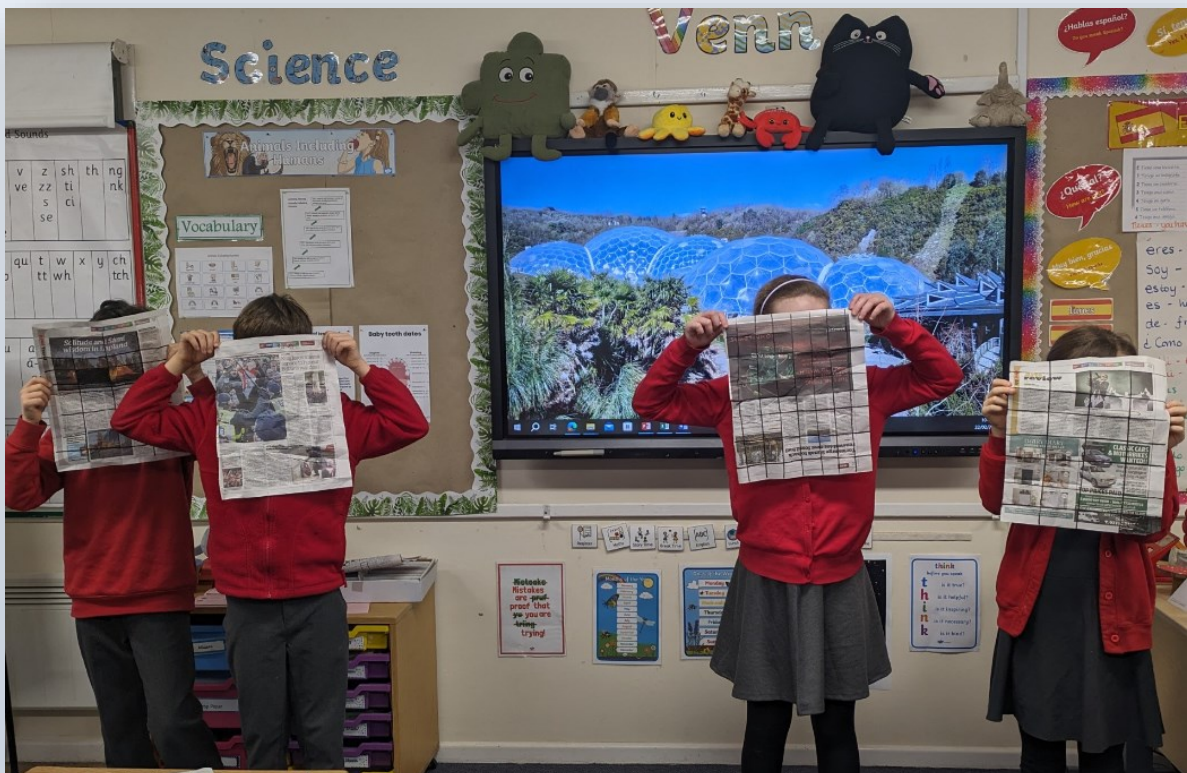

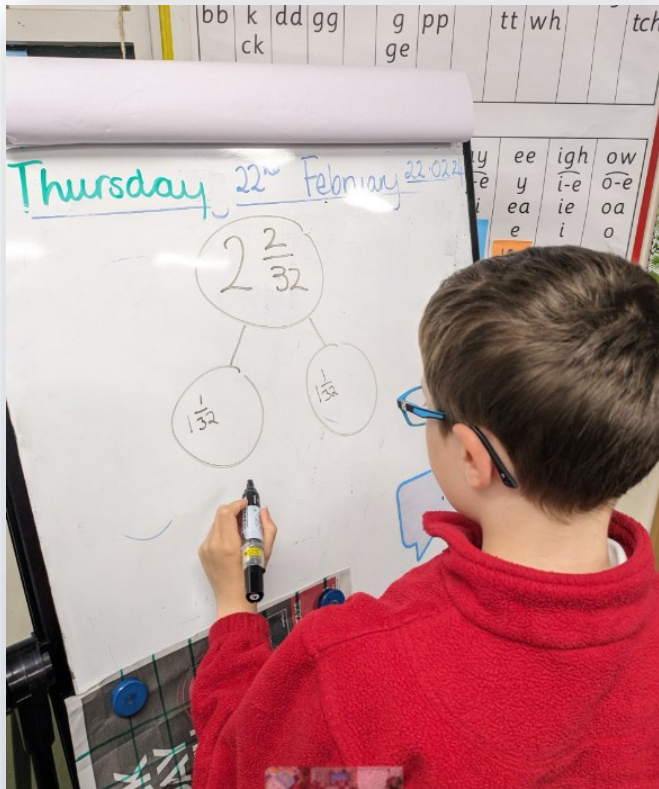

On Wednesday, the children enjoyed a physical challenge using tennis rackets and beanbags where they had to practise their pancake flipping skills and keep count of how many times they could toss their beanbags and catch them on their rackets again. The children are now ready to be let loose in your kitchens with the frying pans!

Year 4 have been exploring how to partition a mixed number fraction. We played Fraction Boogie and discussed ways to partition the fractions we had created.

Friends of the Honey Bee | British Beekeepers Association (bbka.org.uk)

Free to join

'Friends of the Honey Bee' is a BBKA initiative aimed at reaching out to primary schools and other community groups to encourage them to become more bee friendly and aware of the importance of all pollinators.

Dear Parents/Guardians,

I am pleased to announce the start of a brand new after school dodgeball club running every Friday evening at Plympton Academy from 5pm-6pm. During these sessions, the children will learn the various skills that make up the game alongside playing various different fun variations of dodgeball.

The session will cost £3.50 in cash on the day of the session, or the whole term can be booked online at a discounted price of £20 for the 6 weeks. Please see the link below.

If you have any questions, please feel free to get in touch!

Kind regards,

Adam Wallis

School Residential Trips

Please can you ensure you are making regular payments toward reducing the trip balances for your child's residential adventure. The balance must be settled in full prior to the trip taking place to ensure your child can go onto the trip. We kindly ask, if you are able, please pay in full asap because we have to pay regular instalments to the settings.

All costs for your child's trip have been carefully worked out based on the number of children whose parent/carer signed the forms and paid the deposits. Failure to pay the balance means we won't have sufficient funds to pay the setting.

Thank you.
