

Friday Flyer 8th March 2024

Dear Parents and Carers,

We have had a great week celebrating books- what a lot of amazing outfits for World Book Day! Thank you for your help with this - it was super to hear about all the different books your children read. Having spoken to lots of parents and children about World Book day, next year we are going to make a tweak to our plan. One option is: We will still dress up if children would like to but additionally, have the option of coming to school in comfy reading clothes bringing in their favourite book. Hopefully this will make life easier for some.

Matt from Ivybridge Bookshop came on Tuesday which was a great experience for everyone and all World Book day vouchers got spent. As you will have seen Ivybridge Bookshop are coming to run a pop up shop later in March, we hope you will be able to come along and support us in this.

We hope you are all having fun completing your book bingo, thank you to those of you who have already donated- this is amazing!

We hope you have a lovely weekend and we look forward to a busy learning week next week, including our trip to the zoo.

Best wishes,

Mrs French

Year 1 and 2 children are continuing to have fun at our Forest School Site each Friday.

They are enjoying den building, playing on the swing, paddling in the water, exploring in the trees, making mud pies and 'potions'. They have invented many fun games where they run, play and explore the site.

We have been dodging the showers and braving all weathers, the children are always enthusiastic wearing big smiles on their faces throughout!

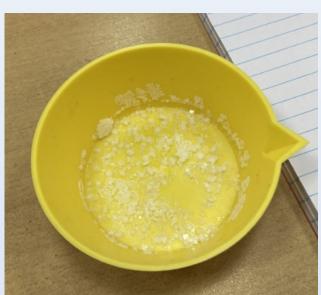

In computing in Year 1 and 2 we have been enjoying programming the Bee Bots. We had to programme them so that they would reach a particular spot / marker. We did really well and had a great time!

Earlscombe Science

We have been learning about the properties of materials and changes of materials. We experimented with different ways of separating materials using sieving, filtering, magnetic attraction and evaporation. We learned that we could reverse these changes. On Tuesday this week, we experimented with an irreversible chemical change using a "mystery powder" and vinegar. It was an exciting reaction and we learned that this sort of change in materials cannot be reversed!

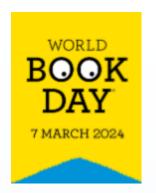

Excellence

Friendship

WORLD BOOK DAY FUN!

Changing lives through a love of books and reading

Year 4 have been learning about market research in preparation for designing their own bread in design technology. They had to think about smell, texture, taste and appearance. The fruit loaf was a clear winner for year 4.

Excellence

Friendship

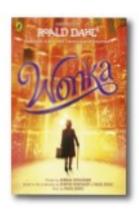

On Thursday, 18 year 3 and 4 children took part in an athletics event organised by Arena Sports at Ivybridge Community College. They competed against 4 other schools from the academy. They were a credit to the school, showing determination and excellent sportsmanship.

Earlscombe: Lacey

Parents/Carers

If you send anyone to collect your child after school, or for an appointment, please ensure you notify us about this. We will not release your child without your written or verbal authorisation.

Thank you for your co-operation with this. We are certain you appreciate the need to be vigilant.

PARENT FORUM

The date for the Parent Forum was going to be the 21st March but we will have to amend this to 2.30 Tuesday 26^{th} March .

The Parent Forum is a great time to air your thoughts, give us your opinion and to work together with us to support your children's learning and development.

If you would like to come along, please let Tracy in the office know.

Thank you

AUTISM: Improving Communication

18th March 7-9pm

Jane Keyworth, Lead Facilitator at FACE giving a two hour online talk to parents (and teachers), explaining how simple changes in how you speak can lead to more positive communication with people on the spectrum.
