

Friday Flyer 15th March 2024

Dear parents & carers,

What a fantastic week we have all had! The years 1—6 children, staff and hopefully our wonderful parent (and grand-parent) helpers had an enjoyable and informative day out at Paignton Zoo. We have to tell you just how incredibly beautifully behaved, and well mannered, your children were; they are a pleasure to take out.

Lots of exciting learning has been happening in all classes; you will see some of this further on in this Flyer. Our teachers always work so hard to ensure the children are hands on and engaged, using imaginative strategies for example, using their desk tops as writing boards to figure out their fraction problems.

The Parent Forum will be happening at 2.30pm on the 26th March. This is such a great opportunity for you to voice your ideas. We are always looking for ways to make our whole school an even more fabulous place for learning.

We thank you for your kind chocolate donations and these will all be used by our wonderful PTA at the Easter Tea. You'll also see the PTA are arranging an Easter Hat competition. We look forward to some marvellous creations!

I hope you all have a restful and enjoyable weekend break.

Kind regards,

Mrs French.

Running club braved the elements this week and completed an excellent run around the lanes! Fantastic effort team!

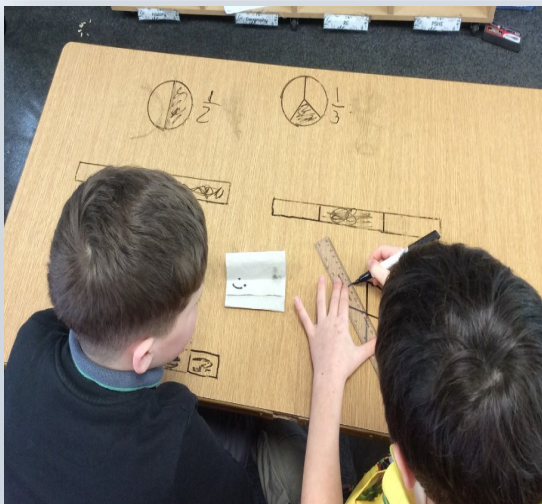

Thank you to the parents who have donated their unwanted puzzles. Our Hillhead children have had a wonderful time with these 'new' play things!

Year 4 have been learning about the digestive system of the human body. In this week's lesson they mapped out the position of the specific organs, alongside learning about their individual functions.

It appears we have some budding architects in Hillhead!

This week in Ladywell, we have started revising fractions. The children have been practising reading, drawing and writing fractions in a variety of ways and have started to spot the relationship between some simple equivalent fractions.

Please remember to send your child to PE with their correct kit: black shorts or joggers, plain white or red t-shirt. Football kits and socks aren't part of school uniform and we will be communicating with you should your child be wearing these items for PE.

Thanks for your co-operation with this.

Medication in School

If your child requires medication prescribed by a doctor, or Paracetamol, please come into the office and complete a Medication Consent form. Alternatively, one can be emailed to you to complete.

The administration of Ibuprofen or Aspirin based medication is not allowed to be administered in school unless prescribed by a medical professional.

If you have put any medication into your child's bag, please let Tracy or their teacher know.

Thank you.

Holidays

Dear parents & carers,

If you choose to take your child out of school for a holiday, please remember to complete an Absence Request form ahead of time. Unless the circumstances are exceptional, this will not be authorised but we will then know where the children are and expect them not to be in school. Children get very excited about holidays and tell their friends and staff, they find it hard to contain this information!

We have to advise Devon County Council and it is their choice whether they issue a Fixed Penalty Notice.

We do thank you for your honesty and co-operation with this.
