Contact us for more information

Pre-school flexible hours cost £5.40 per hour and this includes snacks, breakfast and tea.

About us

Our Pre-School is located in the heart of Ugborough village, just two minutes off the A38. Being a fully inclusive, small childcare setting in a large space with a real family feel, we are able to respond to your child's individual needs and get to know their personalities and passions.

Our core staffing team have worked together in Ugborough for over 15 years, and use frequent training to update their considerable skills.

Working to create a nurturing, fun and educational environment, our senior team consists of three qualified teachers specialising in early years development, enabling them to guide and prepare your child for the transition to Primary School.

Regular weekly activities include: Forest School, Art, Cooking, Dance, Music, Storytime, Singing, and visits to the Playpark, Church, Mobile Library and Post Office. We spend time at Ugborough School daily, including visiting the Foundation classroom, and we also offer additional trips further afield such as to the zoo, theatre and aquarium.

We accept 2 year old funding, offering 15 hours a week for all working parents of two year olds from April 2024. For the older children we accept 15 and 30 hours childcare funding, and are happy to work in conjunction with another childcare setting. Quick identification of any additional needs and support has given us the experience of working with many outside agencies.

What parents say

"The nurturing environment you have created is so special. Your kindness, support and flexibility over the years has been such a help"

"He's so happy at Pre-School which is thanks to your wonderful care. We are so grateful to you for having been part of our journey"

"She has been incredibly happy at Pre-School. It has been an integral part of her development as well as a happy, secure place to which we always feel confident dropping her off. The experience and care of the staff is exemplary. I don't hear of many other settings that offer such continuity of hugely knowledgeable and wonderful people working there. The range of activities is fantastic as are the links with the Primary School. I feel the transition provision for Primary is really excellent. The trips are also a fantastic bonus"

Contact us

Enquiries very welcome, there is no such thing as a silly question when it comes to choosing a childcare setting
